I guess with the resignation of Chloe from the ONA the recent topics such as "has the ONA gone soft" are done.

FYI, the main ONA blog/site & a source of reliable info is now - <http://lapisphilosophicus.wordpress.com/>

Informative indeed to know about the recent developments as noted by your person.

The applied principle (thus concrete enacting of) "self-purging" in this particular example, as the ONA is - and should be- an exacting structure, should prove quite beneficial, rather than detrimental, in the long term to be sure, for all concerned - including the individual specified.

Hopefully, for the sake of a new generation of potential would-be Neonates, Initiates, Adepts, Masters and Lady Masters, and indeed, Grand Masters, this resignation will be taken more more in earnest by the "Inner ONA" than the pointed resignation proffered a few years ago by the "Temple of THEM", who has by dint of apparent acceptance after the fact been able to mislead, misdirect and misinform a potential demographic of the same.

Authoritative representation of the ONA via the blog/site <http://lapisphilosophicus.wordpress.com/> should be emphasized, by all concerned - as it is a marked departure from "mission drift", toward, instead, "mission underway" - exemplifying the necessary and non-negotiable baleful, real-world evil, life-long and exceptionally strenuous (physically, mentally and morally) ordeal-laden quest that codifies the Seven-Fold Sinister Way, Traditional Satanism ,and all that associates itself with the same - in set-in-granite, application.

So, it seems that only reason ONA went 'soft' was because of Chloe? WTF? Doesn't being 'soft' or 'hardcore' depends on each one of us? On circumstances we are living in? On our personal development and inner strength? It has nothing to do with whether Lapis Philosophicus is more evil blog than ONANXS. This is ridiculous.

WSA was our sister Lodge even before we came out in public. Chloe's writings, and personal correspondence between her and some Gnawers inspired us greatly, but didn't make us 'soft'. Anyone who knows us personally would not say that we are soft. On contrary. I think that some of Chloe's writings even made us harder, by providing us with some deeper insight and understanding of some practical deeds.

"But ONA is really embodiment of its sinisterly-numinous essence. And you can see that by learning purposes of various forms ONA employ, and by observing exactly this phenomenon you mentioned – some people ends up ensnared by some forms, and others prosper by using them. So, form (ONA) is not the 'problem' by itself, but one's approach to it, one's understanding why is it that ONA is 'sinisterly-numinous' in essence."

Understanding what is written above you must see how ONA can't make you more hardcore, how WSA can't make you more soft. It's all about your attitude towards that something.

Someone can use ONA as an excuse for their pathological homicidal urge. Someone can use

WSA as an excuse for lack of balls. In both cases neither ONA nor WSA are 'wrong' but the one using them as excuses for whatever lack of character they possess.

Remember CB? He also gone soft, right? Thornian aka MWF? Also gone soft? or what really happened? You really think CB left because of his pursuit for mundane things and his softness? You really think MWF left ONA because of Nazi ideology? He knew what was/is purpose of heresy. Remember DWM/AL? He also gone 'soft'. Now we see Chloe also has 'official' story for the public about her leaving. But I know those people simply get tired of 'shouting into the void' and returned to the dark.

I know that for Chloe, this also is some kind of relief. And if that's so I'm happy for her. I hope she will gain something out of this for her benefit.

I would like to tell you only one more thing - without all of these 'soft' people: CB, DWM, MWF, Chloe - where would ONA be? Let's now reject everything ever written or done by this 'soft' people (CB, Myatt, Ford, Chloe) shall we? What would left of ONA? - NOTHING

Zorya Aeterna,

ABG Lodge

No balls here - just 'softness' looking for an excuse. I think that Zorya explained to all of you here that sky is blue and milk is white.

If you have problems with understanding this - that sky is blue and milk is white, then I can only cry and laugh at all of this - at the same time. And do nothing more..

Just to be clear - this is not about Chloe leaving ONA or not. It is only her decision. This is just about a lack of understanding and character shown by some. By those who really owe an apology and are in need of deep introspection, to be able to understand what Zorya wrote.

Shall we now be dedicated to eradicating all of the weakness and softness rejecting everything written and done by those who become soft (because of their lack of ego and wordless Understanding) - the whole ONA! yes. let's make it from the scratch. Let's divorce ONA from ONA itself, because ONA is soft! And that is becoming obvious even to mundanes. Lol

I think the resignation of Chloe is a loss, I'm not going to fill up this groups mail with discussions about been soft and hard core. I'm soft compared to some others in the O9A,

dose it matter, do you care. I don't think so. I'm not going to give you my point of view if your interested read the BH nexions blog.

Not to stir the kettle overmuch, but let us examine a pertinent fact:

Chloe, on her blog, mentioned making an oath to Anton Long (or perhaps David Myatt was the name she invoked) to devote the next 30 years of her life to the ONA and expanding its corpus, or something similar to that.

In a few short years and in the face of a bit of drama, she has broken that alleged oath and allegedly ended her involvement with ONA, in submission to her critics.

Is that acting with Sinister Honour? Is that what one would expect of an Initiate of ONA? Is her thought consonant with your experience of the Sinister?

There are many such voices, particularly on the internet, speaking of how this part (often the difficult or unpopular part) of the ONA is just an outer form, and this part (often the difficult or unpopular part) isn't particularly necessary, and that this part (often the difficult or unpopular part) isn't part of the core of the tradition.

In some cases those voices are self-admitted failures. In other cases they are self-deluded. There is nothing to be proven on the internet in regards to personal deeds, as nearly anything can be manufactured for consumption in such a forum and all electronic "evidence" is suspect, but one can recognize thought and action out of alignment with ethos. Concepts out of alignment with knowing.

I do hope that Chloe is still reading this group, as I do not like to "talk about others behind their backs", and recognize that this is a hell of a first post to the group. I don't think anyone owes her an apology, given the facts in evidence.

I'm Jack MacLeod. Yes, that is a pseudonym. I approach the Sevenfold Way from a Traditional

perspective. I'm glad to communicate with you all on a variety of topics.
